

# TRUST STRATUS™ HELMET PAD SYSTEM

**Delta Three Oscar™ uses rate sensitive, soft and flexible D3O® materials for shock absorption and impact protection applications.**

Designed for high performance and comfort, TRUST Stratus™ is the latest, most advanced commercial helmet pad system from Delta Three Oscar™. Drawing inspiration from Delta Three Oscar™ solutions for the United States Army, TRUST Stratus™ utilizes the full potential of D3O's rate sensitive properties to simultaneously meet impact performance requirements at 10 and 14 feet per second.

TRUST Stratus™ is a one-size-fits-all helmet pad system that surpasses the required level of protection of the Advanced Combat Helmet standard (AR/PD 10-02) in both polyethylene and aramid shells. Each helmet pad in this system features a unique geometry that allows the pad to fit the shape of the head and offers superior deceleration under blunt impact tests versus market leading competitors. TRUST Stratus™ is an off-the-shelf performance-enhancing accessory which can be integrated as an 8-pad or 10-pad system within most infantry combat helmets.

## PRODUCT FEATURES

- Patent-pending D3O® technology
- Excellent blunt impact performance at both 10- and 14ft/s impact velocities
- Performance stability across multiple impacts and temperatures
- Integrated Comfort Liner for each pad
- Head-side fabrics offer anti-microbial treatment and superior moisture-wicking properties
- Available as an 8-pad (with crown) or 10-pad system (no crown)
- Meets SPS hook and loop adhesion requirements, providing strong adhesion into the helmet shell and easy removal when required
- Pressure management at high altitude, avoiding pressure points
- One size fits all shell sizes
- Berry Amendment compliant

## 8-PAD CONFIGURATION

## 10-PAD CONFIGURATION

Product Name	TRUST STRATUS™ HELMET PAD				
Part Name	Crown with Logo	Oblong with Logo	Side Oblong	Temple Oblong	Trap
Part Number	14123	14168	14121	14125	14122
8-pad system	x1	-	x2	x2	x3
10-pad system	-	x1	x2	x4	x3
