

FITTED ANKLE GUARD LP

Delta Three Oscar™ uses rate sensitive, soft and flexible D3O® materials for shock absorption and impact protection applications.

The Delta Three Oscar™ Fitted Ankle Guard LP delivers enhanced boot comfort for riders through a highly low-profile design without significantly compromising performance.

When integrated correctly into a heavy-duty boot, the Delta Three Oscar™ Fitted Ankle Guard LP passes the EN 13634 motorcycle standard for ankle protection due to its superior shock absorption properties, while being 41% thinner and 38% more lightweight than the Delta Three Oscar™ Fitted Ankle Guard.

Delta Three Oscar™ Fitted Ankle Guard LP offers simple integration into existing boot ranges without requiring modifications to constructions.
