

STROBEL BOARD

Delta Three Oscar™ uses rate sensitive, soft and flexible D3O® materials for shock absorption and impact protection applications.

Delta Three Oscar™ strobels boards offer a simple solution to adding increased protection and comfort to a range of footwear. The unique D3O® Decell material reduces transmitted force into the body and provides a comfortable feel throughout the footstrike.

PRODUCT FEATURES

- Features D3O® patented technology
- Bonded to durable, premium fabric
- The latest in our strobels sheet offering
- Low profile
- Ideal for any in-shoe application
- Cosmo fabric available

BORAD INTEGRATION
